CREATION STATION

A YMCA Early Education Program for 3-5 Year Olds at the Nashua YMCA

As the largest provider of child care in the area and a leading not-for-profit charitable organization, we believe that our YMCA's Creation Station program will help prepare your child with a strong foundation for future academic success. The first six years of a child's life are crucial; a time when children develop their mental and social functions at a rapid pace. This development is greatly influenced by their educational environment.

Through the use of guided self-discovery and experiential learning, the Y's Early Education program teachers focus on providing experiences to facilitate your child's cognitive, social, physical, and emotional growth. Each day offers unique, expertly designed programs.

Financial Assistance

Through the generosity of the community, the goal of the YMCA is that no child will be denied participation due to inability to pay. Financial Assistance is available on a sliding fee scale.

Schedule

From 9:30am-12:00pm, all school year, your child will participate in programming with qualified, nurturing staff members, creating an environment that will support each child's social, emotional and cognitive growth and development. Children will join in literacy learning, science, math, nutrition and physical education!

All children **MUST** be potty trained to enroll.

Creation Station Pricing

To allow for greater flexibility with what the parent/child needs the YMCA will offer 2, 3 and 5 day a week options.

	YMCA Member	Community Member
5 Days (Mon-Fri)	\$100	\$150
3 Days (Mon/Wed/Fri)	\$60	\$90
2 Days (Tues/Thurs)	\$40	\$60
