Welcome to the YMCA of Greater Nashua Summer Camps! Starting with Camp Sargent in 1924, thousands of youth have come to us for an experience that leaves them feeling confident, learning new skills, and making friendships that last a lifetime. Through our core values of Caring, Honesty, Respect, and Responsibility, adventure awaits! We cannot wait for you and your kids to be part of it this summer!

When thinking about our camp experience, the first thing you need to know is that we are a community of people who come together every day to bring out the best in each other. When your camper comes to our camps, they will feel like they belong, as they become part of the Y family. Camp friends are just different from other friends!

At the heart of the camp experience is a building up of confidence through competence. While at camp, your camper will: try things they have never done before, set goals and work to accomplish them, and build skills that can create lifelong interests and pursuits. Through all of those things, our staff will make sure their success is celebrated and their challenges are a moment of learning. By going through these experiences, campers learn the importance of perseverance and translate the skills they have gained back into their life outside of camp.

As you look through this guide, we challenge you to think about the possibilities! What will trying something new look like for your camper? What do they enjoy and want to get better at? What do you want them to learn in their time with us? Away from screens and with caring adult role models, we are ready to help your camper grow all summer long!

From Our Team to Yours,  
The Camp Directors of the YMCA of Greater Nashua

There is nothing in the world she loves more than spending time with her family and friends.

**Kristen Capriotti** | [kcapriotti@nmymca.org](mailto:kcapriotti@nmymca.org)

**Sports Camp Director**

Andy has been a commanding force in YMCA sports since the day he walked into the Westwood Park YMCA. With experience running programs for preschoolers all the way through high school, Andy understands the importance of balancing strong athletic effort with the teaching of life skills to carry youth beyond their sport. He cannot wait to have campers experience the magic of the Sports Camp at the Westwood Park YMCA.

**Amy Millard** | [amillard@nmymca.org](mailto:amillard@nmymca.org)  
**Little Investigators Preschool Camp Director**

# GIVE THE GIFT OF CAMP

**PROVIDE AN UNFORGETTABLE EXPERIENCE FOR YOUTH AT CAMP!**

**Each summer, hundreds of kids attend day camps at the YMCA of Greater Nashua.**

For more than 200 campers, their summer experiences are only made possible because of donor-funded financial assistance. Camp gives them connection, activity, mentors, confidence, resilience and safe spaces while their parents work.

**CAMP ALLOWS THEM TO BE KIDS.**

However, access to outdoor education and engagement with the natural world is often determined by economic status.

Their experiences at camp prepare them for bigger, brighter lives down the road. With your support we can provide a summer camp experience for all children that promotes the kind of social and emotional growth opportunities that campers will rely upon for years to come.

**Help send a kid to camp.  
Your gift will change lives.**

## SUMMER CAMP WEEKLY THEMES

We love our summer camp themes so much we decided instead of squishing all our fun activities into just one week; we have stretched many of our popular themes into two weeks.

### Week 1 (June 24-28)

#### Me, Myself and the Y

This week kicks off the summer camp season, and how appropriate it's all about our favorite people; THE CAMPERs. Let's get to know each and every one of you, while you get to know the Y.

### Week 2 (July 1-3)

#### Proud to be an American

What would the 4th of July be without a parade? Red, white and blue crafts and lots of good ole' Americana games will fill this star-spangled week.

### Week 3 (July 8-12) & Week 4 (July 15-19)

#### Get WILD About Animals

Our planet is full of amazing creatures; from the smallest Etruscan Shrew to the gigantic African Elephant; from our favorite household pets and the mighty king of the jungle to barnyard friends and Jurassic dinosaurs. Discover some of the weirdest and wackiest facts about magnificent living things, big and small.

### Week 5 (July 22-26) & Week 6 (July 29 - August 2)

#### Sea, Sand and Sunshine

Who's ready for some fun in the sun? Sandcastles, Starfish and underwater explorations without even leaving camp! This week the beach comes to us.

### Week 7 (August 5 - 9) & Week 8 (August 12-16)

#### Discovering Disney!

Once upon a time.... And happily, ever after! Everything from magic wands to unicorns; two uniquely real and playful weeks are in store for all campers. Join us for magic carpet rides, pirate ship adventures, and don't forget to make a wish upon a star; close your eyes and just believe! With a little bit of pixie dust, these weeks will be more than enchanting.
