Class Descriptions

AQUA CARDIO: Use the resistance of the water to improve cardiovascular fitness, endurance and flexibility. Level 1

AQUA FIT: Water exercise, aerobics and toning at a challenging, but non-threatening pace. No swimming skill are necessary.

AQUA FITNESS FLOW: Aqua cardio and strength intervals interwoven with yoga and stretching for a full body workout.

AQUA INTERVALS: Interval training alternates short periods of intense exercise with less-intense recovery periods. Some of the proven benefits are: increased metabolism, fat burning, weight loss and improved cardio respiratory fitness.

AQUA RUMBA: A 30-minute dance party in the pool! A great low-impact workout that is cardio-conditioning, body-toning, and most of all, fun!

AQUA STRETCH: Water exercise that combines high- and low-intensity moves in a fun, easy-to-follow format. Get that heart rate up, then bring things back down. This class also emphasizes stretching to help improve flexibility and range of motion, release trigger points and knots, and relax the body and mind. All levels welcome

AQUA ZUMBA®: Blends the Zumba philosophy with water resistance for one pool party you shouldn't miss!

ARTHRITIS AQUA FITNESS: This class is designed to help individuals with arthritis, related rheumatic diseases or musculoskeletal conditions to enjoy a more active lifestyle while improving health in a welcoming, supportive, fun environment. Reduce pain and stiffness, restore or maintain joint range of motion, maintain or increase muscle strength, improve balance and coordination, and decrease fatigue and increase endurance.

BEGINNER LINE DANCING: Exercise your brain while you exercise your body. We will cover basic steps and move on to dances that put these steps together. No partner is needed.

BEGINNER YOGA / QI GONG: Gain strength and flexibility through the use of different postures and Qi Gong techniques.

BEYOND BEGINNER LINE DANCING: Designed to enhance your skills, this class is intended for those with prior line dancing experience. No partner is needed.

MINDFUL CHAIR YOGA: Seated yoga poses promote better balance paired with mindful breathing and meditation for focus and relaxation.
