

\$1,000,000 in financial assistance was provided to ensure the Y is accessible to all.

2023-2024 Contributors

Thank you to the fiscal year 2023-24 donors who contributed funds to benefit the Y CARES Financial Assistance Program and other services.

Grant Funders

Thank you to these generous donors for entrusting the Y with your dollars to invest in making good happen! With the support of these businesses, foundations, individuals and government grants toward specific initiatives, the YMCA of Greater Nashua was able to:

- Fund ten year-round free or low-cost evidence-based chronic disease related programs to meet community needs for those with Parkinson's Disease, cancer, arthritis, pre-diabetes, mental health, and nutrition and wellness support for children and adults struggling with weight issues.
- Operate Power Scholars Academy to help 340+ Nashua students who are behind grade level catch up over the summer rather than fall further behind through a 5-week academic and enrichment program in partnership with the Nashua School District
- Provide wage increases and bonuses to help recruit and retain the 100+ childcare staff at the Merrimack Y's Early Education Center, Nashua Y Creation Station Preschool and four Y Academy after school childcare sites who are the workforce behind the workforce.
- Provide scholarships for one-on-one Adaptive Swim lessons for youth with Autism, ADHD and physical differences at the same cost as typical group swim lessons.
- Install a new playground at the Merrimack YMCA Early Education Center
- Begin raising funds toward capital investments to help youth and families achieve, connect and build relationships at the Early Education Center and Camp Sargent.
