Welcome to the YMCA of Greater Nashua Summer Camps! Starting with Camp Sargent in 1924, thousands of youth have come to us for an experience that leaves them feeling confident, learning new skills, and making friendships that last a lifetime. Through our core values of Caring, Honesty, Respect, and Responsibility, adventure awaits! We cannot wait for you and your kids to be part of it this summer!

When thinking about our camp experience, the first thing you need to know is that we are a community of people who come together every day to bring out the best in each other. When your camper comes to our camps, they will feel like they belong, as they become part of the Y family. Camp friends are just different from other friends!

At the heart of the camp experience is a building up of confidence through competence. While at camp, your camper will: try things they have never done before, set goals and work to accomplish them, and build skills that can create lifelong interests and pursuits. Through all of those things, our staff will make sure their success is celebrated and their challenges are a moment of learning. By going through these experiences, campers learn the importance of perseverance and translate the skills they have gained back into their life outside of camp.

As you look through this guide, we challenge you to think about the possibilities! What will trying something new look like for your camper? What do they enjoy and want to get better at? What do you want them to learn in their time with us? Away from screens and with caring adult role models, we are ready to help your camper grow all summer long!

From Our Team to Yours,
The Camp Directors - YMCA of Greater Nashua

MEET OUR CAMP DIRECTORS

2025 SUMMER CAMP DIRECTORS

Tiffany Joslin | tjoslin@nmymca.org
Senior Program Director of Youth Development

Tiffany started her Camp Sargent career, in 2012, as the program director for Camp Sargent's Play Acting Camp. Since then she has been an important part of the day to day operations of camp, and developing it into one of the top summer camps in the area, as one of our Assistant Camp Directors. When Tiffany is not at camp she likes to shop, soak up the sun at the beach, read, watch reality TV, and travel. There is nothing in the world she loves more than spending time with her family and friends.

Dorinda Mulcahy | dmulcahy@nmymca.org
Assistant Summer Camp Director

Dorinda is a teacher at heart who loves sharing her passion for nature and the outdoors. Over the past 18 years, she has primarily taught pre-K and 1st grade but has worked with children up to 6th grade. Currently, she teaches 1st grade at Gate City Charter School for the Arts. This year marks her 19th summer at camp, and she can't imagine spending her summers anywhere else. When not at school or camp, she enjoys reading, music, and spending quality time with family and friends.

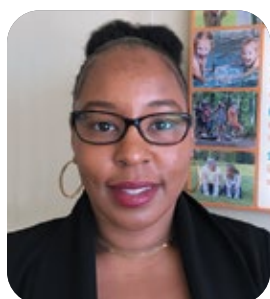

Kristen Capriotti | kcapriotti@nmymca.org
Camp Create Director

Kristen has been working in Y Camp since 2000 and is excited to be taking on the position of Camp Create Director. Kristen has a Certification in Dance Education as well as an A.A.S in American Sign Language Interpreting and has been teaching dance for over 20 years. She is ready to bring her passion for creativity to your child's summer experience.

Amy Millard | amillard@nmymca.org
Little Investigators Preschool Camp Director

Amy has been with the YMCA for over 15 years. Before joining the Y, she worked in special education as a paraprofessional. She is now entering her third year as a site director for Creation Station, Y Academy, and Little Investigators. Little Investigators is a fun way to introduce preschool-age children to school. Throughout the week, children explore different stories to learn about bugs, nature, and science. Amy is excited for camp to start and can't wait to meet all the new children enrolled!

Tiffany Smith | camp@nmymca.org
Camp Administrator

Tiffany started her Y career on our finance team in 2021 . If you have any questions about registration, challenges with camp paperwork, or need help setting up payment plans, Tiffany is here to help make your camp experience easy. Working for the Y is important to her because growing up in a foster home she felt the community always played a huge role in her life as well as her siblings who attended Y camp. Tiffany enjoys hiking, fishing, rollerblading and spending time with her family. She earned her Bachelors in Business Administration from Hesser College.

2025 SUMMER CAMP STAFF

Working at Summer Camp is an experience like no other and your camper will be the one to benefit. The staff at the YMCA of Greater Nashua Camps are among the best you will find anywhere as they adhere to a very high standard of quality programming and camp philosophy:

Camp should be fun. Camp should be meaningful.

Our staff will be there with your camper every step of the way to ensure a summer like no other. If they are having the best day of their summer, or need some support to pick themselves up, our camp staff is trained to handle everything with emotional support and complete professionalism. If there is one thing your camper will talk about after their experience, it will be the staff!

To make the most of camp, we ask that campers leave their cell phones at home, allowing them to focus on fun, friends, and new adventures.

Join Our Camp Staff.

If you know of anyone interested in being a part of our Summer Camp staff this year please reach out to Tiffany Joslin at tjoslin@nymymca.org.

GIVE THE GIFT OF CAMP

AN UNFORGETTABLE SUMMER CAMP EXPERIENCE!

Hundreds of kids attend day camps at the YMCA of Greater Nashua every summer. Thanks to donor-funded financial assistance, over 200 campers are able to experience the adventure of summer camp. Camp allows kids to connect with others, stay active, find mentors, and build confidence and resilience in a safe environment while their parents are at work.

CAMP ALLOWS KIDS TO JUST BE KIDS.

Unfortunately, not every child can experience outdoor education and connect with nature, as access is often based on a family's income.

The lessons they learn at camp prepare them for brighter futures. With your support, we can ensure that every child has a chance to attend camp and grow socially and emotionally, building skills they will use for years to come.

Help send a child to camp. Your gift will make a life-changing difference.

CAMP SARGENT SPECIALTY CAMPS: June 23 – August 22

YMCA Family Member: \$280 | YMCA Youth Member: \$305 | Community Member: \$430

All specialty camp activities will happen in the morning between 9am-12pm. In the afternoon campers will enjoy other activities such as swimming, games, arts, crafts and more.

NEW! Farmyard Fun (Grade K)

Get ready to explore all things farm—feed the animals, play in the hay, and discover what makes life on the farm so much fun! You'll learn about goats, chickens, and even sheep, while making farm-themed crafts, singing farm songs, and playing exciting games. Put on your farmer's hat and let's get ready for a barnyard adventure you'll never forget!

Digging for Dinos Camp (Grades K-2)

Calling all future paleontologists! Excavate an adventure packed with fossilized FUN! Uncover clues of the past as you embark on a prehistoric dino dig, you will learn about these extinct creatures through fun games, crafts, adventures, and hunts!

NEW! Enchanted Forest Camp (Grades K-2)

Step into a world of wonder and magic at Enchanted Forest Camp, where every day is a new adventure! Explore the magical woods as we embark on fun scavenger hunts, create fairy houses, and meet enchanted animals. Each day, we'll dive into exciting outdoor adventures, like storytelling, nature art projects, and games that spark imagination. Ready to discover the magic of the forest? Grab your explorer hat, and let's see what enchantment lies just beyond the trees!

Jungle Safari Camp (Grades K-2)

Put on your safari hat and grab your binoculars because it's about to get wild in here! For budding zoologists and naturalists, this camp lets kids take a walk on the wild side while learning about different animals' habitats eco-systems, and conservation efforts.

NEW! Let's Get Messy: A Colorful Adventure (Grades K-2)

Get ready to unleash your creativity and dive into a world of color, splatter, and imagination! This camp is all about getting your hands dirty, having fun, and making beautiful masterpieces that are uniquely yours. Whether you're painting with your fingers, molding clay, or creating fun and funky sculptures, there's no wrong way to make art here! Every day brings a new messy adventure with exciting projects! So, roll up your sleeves, put on your smock, and join us for a messy, magical time where the only rule is to have fun and get creative!

Superhero Training Camp (Grades K-2)

Superheroes will receive the training they need to tap their inner superhero potential through the YMCA core values as a base! At the training camp, they will have the chance to create his/her "secret identity," improve their "super skills", and make new friends! This is no ordinary camp for ordinary kids: this camp is for HEROES!

Level Up Camp (Grades 1-4)

Let's make some of your favorite video games come to life! In this camp you will become the characters. We will play some fan favorites with out the screens! Some games we will explore are Mario Cart, Mario Party, Sonic Olympics & MORE!

NEW! Mad Scientist Camp (Grades 1-6)

Calling all curious minds and budding inventors! Get ready for a summer full of wild experiments and crazy creations at Mad Scientist Camp! Put on your lab coat, grab your safety goggles, and prepare to dive into a world of fun and discovery. You'll mix up colorful chemical reactions, make slime, build wacky inventions, and explore the science behind explosions (the safe kind, of course!). Each day, you'll become a scientist and engineer as you create fizzy potions, experiment with cool gadgets, and solve mysterious challenges.

Farm Camp (Grades 1-9)

Combining hands-on farm education and sustainable living is what this camp is all about. Campers will interact with animals each day performing chores, learning how to care for them, and understand their importance on a farm. During their time in the camp, each camper will learn about planting, weeding, composting, and harvesting in our vegetable garden.

Pokémon Academy (Grades 1-9)

Have you ever wanted to bring your Pokémon cards to camp, but have always been told NO! Well here is your chance! Come battle with us. In this camp, campers will learn how to play the game, hunt for Pokémon around camp, and even create their own Pokémon cards. Let the battle begin!

Camp Sargent Players (Grades 3-9)

Lights, Camera, Action! In this two week camp campers will learn all aspects about the theater! They will play theater games, and work on putting on a production of their own at the end of the two week session for family and friends!

Grades 3-5: Alice in Wonderland

Grades 6-9: Willy Wonka

Harry Potter Camp (Grades 3-6)

Leave Camp Sargent Road and the Muggle world behind us as you transform into a student at Hogwarts School of Witchcraft and Wizardry. This camp is a celebration of all things Hogwarts! Wizards will be able to create and taste their very own Hogwarts snacks, concoct potions, create spell books, create their own magic wands and robes, and so much more! If your inner wizard is dying to get out, then this camp is right up your Diagon Alley!

NEW! CSI Camp: Camp Sargent Investigators (Grades 3-9)

Ready to crack the case and uncover the truth? At CSI Camp, you'll become a Junior Detective and dive into the thrilling world of forensic science and criminal investigations! Work alongside your fellow campers to solve mysteries. From mock crime scenes to solving "whodunit" challenges, every day is packed with action, intrigue, and teamwork. If you love puzzles, adventure, and a good mystery, this is the camp for you! Grab your magnifying glass, put on your detective hat, and get ready for a summer of thrilling investigations!

Paint Here, Paint There, Paint Everywhere Camp (Grades 3-9)

Explore Camp Sargent, and let out your inner artist. Campers will travel around camp to different locations to create art. At the end of the week we will set up a walking Art Walk where family, and friends can come see the art the campers created!

Archery Camp (Grades 5-9)

One of the most popular activities at camp, campers will learn proper technique and safety of this sport. Limit 10 Campers per session.

NEW! Boating Camp (Grades 5-9)

Whether you're a seasoned sailor or a beginner, you'll learn the ins and outs of boating while mastering important skills like kayaking, canoeing, and paddleboarding. Our boating team will teach you everything from water safety rules and life jacket use to how to handle boats in different conditions. You'll practice safety drills, participate in fun races, and play exciting water games—all while keeping safety as our top priority.

The Pitch (Grades 6-9)

Are you looking for a way to leave your mark on Camp Sargent? Now is your chance! Teens will spend the week in a "Shark Tank" style program developing a plan to pitch their ideas to the camp community. Teens will work to plan, budget, brand, and market their idea to add the next best thing to come to Camp Sargent.

LEADERS IN TRAINING (LIT) (Grades 9-12)

CAMP DIRECTOR: Tiffany Joslin | tjoslin@nymymca.org | 603.882.2011 (winter) | 603.966.8847 (summer)

CAMP ADMINISTRATOR: Tiffany Smith | camp@nymymca.org | 603.598.1533

Session 3: July 28-August 8

Session 4: August 11-22

CAMP HOURS

9:00am - 4:00pm

Through this program, our LITs get the opportunity to build positive relationships with each other, learn how to effectively work with youth of all ages, and be an integral part of the Camp Sargent Team. LITs get to be on the ground leaders alongside our staff to create the magic Sargent has to offer. Being an LIT is hard work, but fun work as teens learn and grow together.

As an LIT, your teen will gain experience in the following:

- Team building
- Group Facilitation
- Relationship Building
- Creative Programming
- Positive Youth Development
- Conflict Management and Problem Solving
- Life Skills that will prepare them for the future
- and lots and lots of fun

CAMP CREATE SPECIALTY CAMPS:

YMCA Family Member: \$280 | YMCA Youth Member: \$305 | Community Member: \$430

All specialty camp activities will happen in the morning between 9am-12pm. In the afternoon campers will enjoy other activities such as swimming, games, arts, crafts and more.

Full S.T.E.A.M Ahead (Grades 1-6)

This project-based camp will give campers the opportunity to brainstorm, problem-solve, use teamwork, and communication with using a combination of science, technology, engineering, the arts, and math. Using hands-on activities, campers will build critical thinking and problem solving, all while having fun!

Greatest Show on Earth (Grades 1-6)

Come be a part of the Greatest Show on Earth, the circus! Campers will explore all different parts of the circus from juggling and acrobatics, to being a clown and balancing acts. We will also learn about other parts of the show like the costuming and music. At the end of the week, campers will put all our new skills together and create their very own Camp Create Circus Show!

NEW! Lego Lab (Grades 1-6)

Welcome to Lego Lab Camp, the ultimate destination for young builders, innovators, and problem solvers! This week-long camp is perfect for kids who love to build, design, and bring their imaginations to life using the world's most iconic building blocks: Legos! Whether it's creating futuristic cities, designing awesome vehicles, or solving engineering challenges, campers will engage in creative projects while developing important skills in teamwork, design, and construction.

NEW! Obstacle Quest (Grades 1-6)

Get ready for a week of creativity, acrobatics, and high-flying fun! Campers will become both designers and athletes as they combine the excitement of obstacle course creation with the thrill of gymnastics. Part of the week, campers will work in teams to design and build their very own obstacle courses using gymnastics equipment, natural materials, and a ton of imagination. The other part of the day week, campers will learn foundational gymnastics moves such as cartwheels, handstands, rolls, jumps, and balance techniques in a structured class.

NEW! The Art of Storytelling (Grades 4-6)

Unleash your imagination and become a master storyteller in this fun and interactive camp where creativity knows no bounds! The Art of Storytelling Camp is designed for young minds to explore the world of storytelling through a variety of mediums. Campers will learn how to brainstorm, develop, and structure their own stories using prompts and creative exercises. They'll practice turning simple ideas into engaging narratives and refine their plots. Whether through words, art, or performance, campers will discover how to bring characters, plots, and ideas to life in their own unique way.

NEW! Junior Architects (Grades 4-6)

Does your camper have a passion for building, designing, and imagining the structures of the future? Join us at Junior Architects Camp, where young minds will have the opportunity to explore the world of architecture, design, and construction. Over the course of a week, campers will learn about famous buildings, architectural styles, and how to bring their own design ideas to life through hands-on projects and creative challenges. Using paper, pencils, and other materials, campers will sketch, draw, and plan their dream buildings, use blocks, cardboard, and other materials to build small-scale models of their designs, and even take a virtual tour of iconic buildings and structures from around the world, like the Eiffel Tower, the Great Wall of China, and modern skyscrapers.

NEW! Night at the Museum (Grades 4-6)

Step into a world of adventure and imagination at Night at the Museum Camp! This exciting camp is perfect for kids who are curious about history, art, and the wonders of the world around them. Campers will explore the mysteries of famous historical figures, ancient civilizations, and thrilling exhibits that come to life! Throughout the week, children will embark on interactive adventures, solve mysteries, and engage in fun educational activities, all while learning about the fascinating world of museums.

This week will include topics like paleontology, dinosaur identification, Triassic, Jurassic and Cretaceous periods, habitats, herbivores, omnivores and carnivores. This week is a hit, don't miss out!

Week 6 (July 28-August 1)

Bees, Beetles and Butterflies

This week is all about bugs! Caterpillars in the classroom will turn to butterflies before our own eyes! Other topics will include ants with a live ant farm, arachnids, worms, beetles, and more!

Week 7 (August 4-8)

Community Helpers

Camper live out the Y's mission by learning about our community helpers and doing fun activities that emphasize honesty, caring, respect and responsibility.

Week 8 (August 11-15)

Green Thumbs

We are diving into a veggie garden this week! Our days will be filled with vegetable identification, learning about the life cycle of our favorite flowers and plants, planting seeds, tending to our garden and harvesting our own vegetables.

Week 9 (August 18-22)

Invention Convention Week

Using S.T.E.A.M. Curriculum preschoolers are encouraged and supported in designing and creating things like parachutes, catapults, creating an egg drop and much more!
