Welcome to the YMCA of Greater Nashua Summer Camps! Starting with Camp Sargent in 1924, thousands of youth have come to us for an experience that leaves them feeling confident, learning new skills, and making friendships that last a lifetime. Through our core values of Caring, Honesty, Respect, and Responsibility, adventure awaits! We cannot wait for you and your kids to be part of it this summer!

When thinking about our camp experience, the first thing you need to know is that we are a community of people who come together every day to bring out the best in each other. When your camper comes to our camps, they will feel like they belong as they become part of the Y family. Camp friends are just different from other friends!

At the heart of the camp experience is building confidence through competence. While at camp, your camper will try things they have never done before, set goals and work to accomplish them, and build skills that can create lifelong interests and pursuits. Throughout their growth, our staff will ensure your camper's successes are celebrated and their challenges become moments of learning. Through these experiences, campers learn the importance of perseverance and carry the skills they've gained into their lives outside of camp

As you look through this guide, we challenge you to think about the possibilities! What will trying something new look like for your camper? What do they enjoy and want to get better at? What do you want them to learn in their time with us? Away from screens and with caring adult role models, we are ready to help your camper grow all summer long!

From Our Team to Yours,
The Camp Directors - YMCA of Greater Nashua

GIVE THE GIFT OF CAMP

SHARE THE JOY OF CAMP!

Hundreds of children attend day camp at the YMCA of Greater Nashua each summer thanks to generous donors who support Y CARES financial assistance. Your support ensures that every camper can experience the same joy, connection, and sense of belonging that a summer at the Y provides your child. Camp gives children the chance to build friendships, stay active, discover new interests, and grow in confidence. Your support removes a significant barrier for many working parents and caregivers while their children enjoy a safe, nurturing summer experience.

WHY CAMP MATTERS:

"A week into summer my car broke down, and I had to use the money I had put away for camp into that. My boys fell in love with camp (last summer) and were starting to really come out of their shell. When I picked them up each day, they would be so excited to tell me what they did, what silly song they sang, and something awesome that their counselor did. I didn't want to take that away from them. I received Y Cares scholarships to help cover the cost of camp. I am so grateful for what the Y did for my family! I can never repay them for the amazing summer they gave my boys!"
