

FACILITY IMPROVEMENTS AT NASHUA & MERRIMACK THIS WEEK

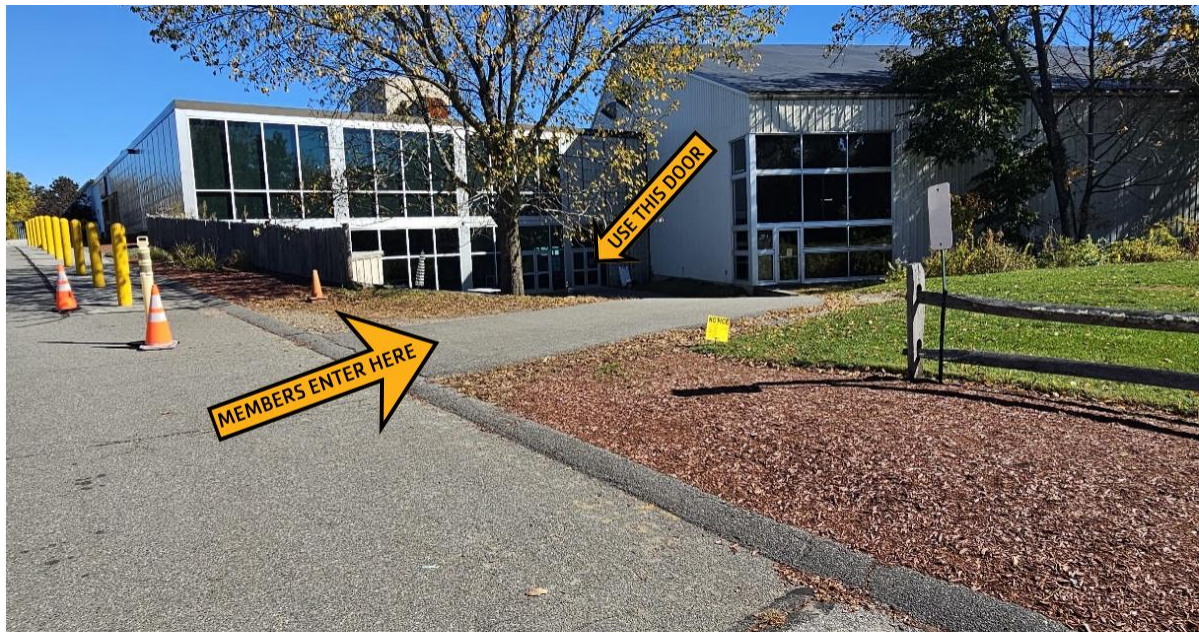

Good Morning Y Family,

At the YMCA of Greater Nashua, we're always working to make our branches a safer, more comfortable place to gather, move, and connect. This week, both our Nashua and Merrimack branches will have some improvement work underway, and we want you to know what to expect before you arrive.

MERRIMACK BRANCH: Wednesday, 10/21 – Friday, 10/23

We're installing a brand-new concrete ramp across our front entrance and repairing two of the yellow safety poles out front. **The main entrance will be closed Wednesday through Friday.** During construction, please enter the facility as follows:

Members and guests: Please use the side entrance by taking the path to the left of the playground (right of the main entrance). The path will be marked with a sign reading "Members Enter Here." Our Welcome Center check-in will temporarily move to this location.

Y Academy families: Programming will temporarily take place in the field house, using the white wall court, basketball court, and Court 3. Please use the field house side door by the playground for drop-off and pickup. Angel will be sending information directly to parents!

Early Education Center families: Please continue using the EEC entrance. Staff will be available to help direct families.

NASHUA BRANCH: Wednesday, 10/21 (one day only)

Our team will be repairing a pipe in the ceiling as part of some HVAC work. Here's what that means for your visit:

- **No heat from 7:00 AM to 5:00 PM.** We recommend dressing in layers, especially if you're coming in for an early workout or a class.
- **Hot water will be operating normally** during this time.
- A small lift will be set up on the track near the upper-level men's room, taking up about a 5x5-foot area. The track will stay open, so please slow down and give our crew a little extra room as you pass by.

We know changes like these can be a small hassle, and we truly appreciate your patience and flexibility. If you have any questions, our front desk team is always happy to help. Just stop by or give us a call.

Thank you for being part of our community. We'll see you at the Y!

Warmly,

The YMCA of Greater Nashua
